Dear Prospective Customer,

Tastees is a unique snack made with genuine quality ingredients of rice and pure cheese with no artificial flavours or additives.

Tastees is the export brand for Twistees, which has been produced for over 50 years, since 1975, as the original baked snack. It maintains the same top quality of pleasant crunch and long lasting taste.

Tastees is exported to various countries, including Canada, United States, Germany, Australia, Finland, Libya and others. Tastees is becoming more established in these countries, we are constantly seeking new export opportunities.

We look forward to including your firm in our portfolio.

Yours Faithfully,

The Tastees Team

A snack with no Artificial Flavours, which brings out your umami of Pure Cheese

Tastees is a direct extrusion rice baked snack, which is the pioneer in baked snacks. it is coated with real cheese that provides a tasty mouth feel and a crunchy feature.
